Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Lamb called Attorney Etufugh to indicate that the after-final amendment 8/19/2004 had been received and would not be entered since it raised new issues that would require additional considerations/searches. Examiner Lamb and Attorney Etufugh discussed and agreed that cancellation of claim 53 and change in dependency of claims 54-56 so as to depend on claim 46 would place the application in condition for allowance. Examiner Lamb agreed to prepare an examiner's amendment and indicated that a 2 month extension of time would be required. Attorney Etufugh indicated that the IDS filed 8/19/2004 provided translations of earlier filed foreign references. .
